

NBA 2024-2025 Statistical Analysis

By Anthony A.

What is the NBA?

The **NBA** stands for the **National Basketball Association**, which is a professional basketball league in North America.

Teams: The league consists of 30 teams, divided into two conferences:

- . **Eastern Conference** (15 teams)
- . **Western Conference** (15 teams)

Season Structure:

- . **Regular Season:** Teams play 82 games (41 home, 41 away).
- . **Playoffs:** The top 8 teams from each conference compete for the championship.
- . **NBA Finals:** The champions of the Eastern and Western Conferences face off in a best-of-seven series.
